

## § 68c.8

## 42 CFR Ch. I (10–1–04 Edition)

(d) Applicants must be selected for approval by the CIR-LRP Panel based upon a review of their applications.

### § 68c.8 What does the CIR-LRP provide to participants?

(a) *Loan repayments.* Upon receipt of an individual's written commitment to serve a minimum initial period of two years of obligated service in accordance with this part, the Secretary may pay up to \$35,000 per year of a participant's repayable debt for each year the individual serves.

(b) Under paragraph (a) of this section, the Secretary will make payments in the discharge of debt to the extent appropriated funds are available for that purpose. When a shortage of funds exists, participants may be funded partially, as determined by the Secretary. However, once a CIR-LRP contract has been signed by both parties, the Secretary will obligate such funds as necessary to ensure that sufficient funds will be available to pay benefits for the duration of the period of obligated service unless otherwise specified by mutual written agreement between the Secretary and the applicant. Benefits will be paid on a quarterly basis after each service period unless otherwise specified by mutual written agreement between the Secretary and the applicant.

### § 68c.9 What loans qualify for repayment?

(a) The CIR-LRP will repay participants' lenders the principal, interest, and related expenses of qualified Government and commercial educational loans obtained by participants for the following:

(1) Undergraduate, graduate, and health professional school tuition expenses;

(2) Other reasonable educational expenses required by the school(s) attended, including fees, books, supplies, educational equipment and materials, and laboratory expenses; and

(3) Reasonable living expenses, including the cost of room and board, transportation and commuting costs, and other living expenses as determined by the Secretary.

(b) The following educational loans are ineligible for repayment under the CIR-LRP:

(1) Loans obtained from other than a government entity or commercial lending institution;

(2) Loans for which contemporaneous documentation is not available;

(3) Loans or portions of loans obtained for educational or living expenses which exceed the standard of reasonableness as determined by the participant's standard school budget for the year in which the loan was made, and are not determined by the Secretary to be reasonable based on additional documentation provided by the individual;

(4) Loans, financial debts, or service obligations incurred under the following programs: Physicians Shortage Area Scholarship Program (Federal or State), National Research Service Award Program, Public Health and National Health Service Corps Scholarship Training Program, National Health Service Corps Scholarship Program, Armed Forces (Army, Navy, or Air Force) Health Professions Scholarship Program, Indian Health Service Program, and similar programs, upon determination by the Secretary, which provide loans, scholarships, loan repayments, or other awards in exchange for a future service obligation;

(5) Any loan in default or not in a current payment status;

(6) Loan amounts which participants have paid or were due for payment prior to inception into the CIR-LRP; and

(7) Loans for which promissory notes have been signed after the individual's acceptance into the CIR-LRP.

### § 68c.10 What does an individual have to do in return for loan repayments received under the CIR-LRP?

Individuals must make a written commitment in accordance with this part to conduct, and must actually conduct research with respect to contraception and/or infertility at an NICHD intramural laboratory or an eligible NICHD-supported extramural site for a minimum initial period of two years.
